

RULES OF THE “VINO VERO POSTCARDS” CONTEST

I. INTRODUCTION

VINO VERO POSTCARDS is a contest conceived and promoted by the wine bar VINO VERO (2) in collaboration with the publishing house Lightbox.

The goal of the VINO VERO POSTCARDS contest is to produce four original artist-designed postcards dedicated to the city of Venice. Each postcard will be an artistic interpretation of the city through the lens of “Vino Vero”.

The digital age we live in urges us to value and preserve analog habits that have shaped our culture and way of living.

Just as wine is rooted in the earth, certain emotions cannot be conveyed with a simple click. They belong to slowness, to waiting, to handwriting, to travel. For us, the postcard is a symbolic object of this sensitive dimension.

Writing and wine: an ancient, complicit, and human pairing. A gesture worth preserving and caring for. The organizer commits not only to promoting and selling the postcards but also to their mailing.

II. PURPOSE OF THE CONTEST

The contest involves the selection of four works that will be turned into original artist postcards.

The postcards must represent a personal, poetic, or symbolic vision of Venice inspired by the VINO VERO universe: conviviality, hedonism, earth, craftsmanship, writing, travel, wine.
